This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and

### Internal Audit review of Fixed assets

The Internal Auditor has answered 'No' to Objective H in respect of asset and investments registers on the Internal Auditor report. A formal schedule of assets should be maintained and regularly updated by the Council.

### **Risk Assessment**

We note that the Council has undertaken a risk assessment, but this has not been updated for the year ending 31 March 2016. The Council and Internal Auditor have acknowledged this by answering 'No' at Assertion 5 on the Annual governance statement and at Objective C on the Internal Auditor report respectively. A risk assessment should be performed at least annually and as a minimum, members should: -

- take steps to identify the key risks facing the Parish Council
- evaluate potential consequences to the Council if an event identified as a risk takes place; and
- decide upon appropriate measures to avoid, reduce or control the risk or its consequences. This might involve insurance or the implementation of internal controls.

More guidance on risk management can be found in the NALC / SLCC publication "Governance and Accountability for Local Councils – A Practitioners Guide (England)" at paragraphs 2.99 to 2.116.
