PENNYTOWN PONDS SIGNS OF SPRING

Pennytown
Ponds

Local Nature
Reserve

Come and enjoy a leisurely stroll around Pennytown Ponds LNR. We'll be looking out for signs that spring is coming and looking and listening for butterflies, birds and animals living in the woodland or on the water.

Meet at the information board, near the lower pond. Walk is unsuitable for pushchairs and wheelchairs.

Contact Gary Wain on 01773 841566 or gwain@groundwork.org.uk for further information.
