Christmas Carol Concert

The annual Christmas Carol Concert took place in St Thomas Church Somercotes on the 7th December 2018. Thanks again to Somercotes Girl Guides, Brownies and Rainbows who entertained the congregation with Christmas Carols, supported by the excellent Heage Band. Refreshments were provided by the Parish Council and the congregation raised £300 which was donated to Breast and Prostate Cancer Charities.

Foreword

Councillor McCabe

May I start by saying a huge 'Thank you' to all who attended the Christmas Concert this year at St Thomas Church.

The congregation raised £300 which was donated to Breast and Prostrate Cancer charities. Once again Somercotes Girl Guides, Brownies and Rainbows entertained us with Christmas Carols ably accompanied by the Heage Band.

The Council donated a total £6000 in 2018 to local organisations via its S137 funds and was delighted to host in partnership with Somercotes History Society the Armistice Commemoration Exhibition during the weekend of 10th and 11th of November. This was followed by the lighting of a beacon on Armistice Day to remember the fallen from World War 1. Again the generosity of residents allowed the Council to forward a cheque for £157 to the Royal British Legion.

This year I am discussing with AVBC the possibility of securing CCTV for the parish and I am also arranging meetings with local PCOs to discuss local crime issues.

I look forward, with my fellow councillors, to continuing our work during 2019 and striving wherever possible for improved services and opportunities.

May I wish you all a very Happy and Prosperous New Year.

Letter from your County Councillor

Dear Resident

Here is my latest update on things at Derbyshire County Council.

Well, it's that time of year when local authorities are setting their council tax. Derbyshire County Council have agreed a 3.99% increase for the year 2019/20, but that won't mean services won't continue to be cut. I use the word cut because the controlling conservative group insist on referring to them as efficiency savings.

£90 million of cuts have taken place since austerity began in 2010 – we were all told it would last for 5 years. Nine years later it is still with us and services like Learning Disability Day Care is now subject to a consultation on closing a number of facilities – Parkwood being one of them.

Youth clubs are being closed down throughout Derbyshire and support for vulnerable children is being removed. This is called the Early Help Offer. So much for not making our children pay.

The library consultation has just been completed where they were gauging views on community groups taking them over. Of the 20 libraries consulted on, only one had any interest shown in a group taking it over. What happens next to Somercotes Library and the others. **CLOSURE?**

Locally I have been reporting light outages throughout the community because the night patroller is no longer funded, so it falls down to us to report faults to Derbyshire County Council.

I have asked for various roads and pavements to be considered for resurfacing. This depends on the council's budget and priorities for spending. The government have given £8.6 million one-off funding for highways which needs to be spent by 31 March 2019. We will see how much of this comes to this area. I have, over the months, supported many organisations with grants from the Derbyshire County Council Community Priority Funding which helps support the valuable work in the community continue.

TRAFFIC LIGHTS / ROAD CLOSURES

We seem to be inundated with road closures at the moment due to water and electricity faults. For the people who use Sleetmoor Lane as a route, the traffic lights and signage have been installed at this location due to the continuing problem with water seeping onto the road and it freezing causing a highway safety issue. Meetings and exploratory excavations have taken place to resolve this problem and a scheme is being programmed to resolve it by Derbyshire County Council and Severn Trent. Councillor Steve Marshall-Clarke and I are both pursuing a solution to this.

For bus users it's great that we are in the 21st century with some stops having the next time display installed – it saves having to carry a torch to read and try and understand the bus timetables.

I continue to hold Members Surgeries with Cllr J McCabe and Cllr B Little on the first Saturday of each month 11am to 12 noon at Somercotes Parish Hall.

Please come and join us.

County Councillor for Somercotes,
Riddings and Ironville

A NEW FLAT GREEN BOWLING CLUB IS JUST STARTING UP AT THE SOMERLEA CENTRE IN SOMERCOTES

Whatever your age and whether you are a novice or an experienced bowler looking to join a brand new bowls club just starting up, then the Phoenix outdoor flat green bowling club at the Somerlea Centre in Somercotes, is the place for you.

Membership for the 2019 season is just £10 per member. You may be wondering why the membership is so low, when other club in the area or charging £50 / £60 to each member. This is because we are only just starting up and too late to join any competitive bowling leagues this year. All Bowls club usually fix all their league matches in the month of February for that season, and that is the only reason why our fees are £10 this year. We will always fight in our clubs corner to ensure that our membership fees are the lowest in the area over the coming years.

This year we are in essence only a social bowling club seeking new members which make this club ideal if you are just starting out in the great game of bowls because there is no pressure on you. Just the pure pleasures of outdoor bowls on a sunny day relaxing on the green with family and friends, having a laugh and learning about the great game of bowls at the same time.

We will of course hold our own club rollup days at least once a week or more if possible, with tea and biscuits. It's a good time to socialise and have a laugh, we will also have our own internal matches and invite other clubs to come and give us a friendly game which is a little more competitive. Again another great way to learn the game on a more competitive level and make new friends at the same time. All new and old members will be made very welcome at the Phoenix Bowls Club at the Somerlea Centre in Somercotes.

If you are an existing member of a bowls club and play in their leagues, you could still come and join us for just £10 per season and play for 22 weeks this year. This is equivalent to just 45 pence per week and you would not affect your membership or ability to play for your home club in their league matches, because our club is not affiliated to any leagues, and we do not play in any leagues matches at this time. We will be seeking membership into the leagues next year if we attain the required numbers of members this year.

If you love the game as we do, come and help new players get a good grounding and understanding of the joy and friendship there is in the great game of bowls. Come and help build The Phoenix Bowls Club at the Somerlea Centre in Somercotes into a club that respects and encourages its members to submit ideas and suggestions for making this club the best club to join.

All members of The Phoenix Bowls Club at the Somerlea Centre in Somercotes can play on the green 7 days a week from 11a.m. until dusk each day, from mid-April till mid-September each year and there are six rinks on the green. Members will be able to acquire their own key to access welfare facilities at the centre.

Interested? Then contact Trevor on 01773 765465 for more details.

Armistice Day Commemorations

On the 11th November 2018, the nation commemorated the 100th anniversary of the end of WW1. During that weekend the Parish Council in partnership with Somercotes Local History Group presented an exhibition in the Village Hall.

The exhibition displayed newspapers, letters and other memorabilia from that time. Many local organisations contributed, bringing a very local perspective to the event.

On the 11th November a beacon was lit outside the Village Hall as Somercotes took part in the national 'Beacons of Light' event. Both events were well attended with parishioners attending the exhibition and witnessing the lighting of the beacon.
